8th Grade Homeroom Lesson: May 21st

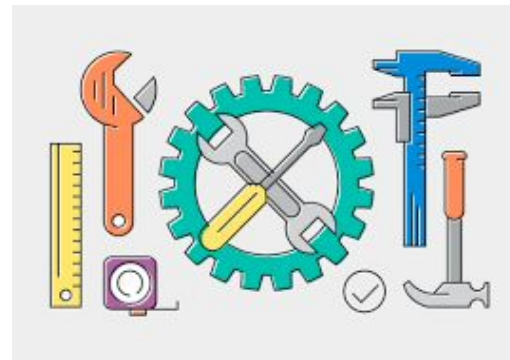

Essential Question: What are trade schools and why are they another good option for education after high school?

Trade Schools

View the [slide show](#) about trade schools and answer the following questions.

What is a trade school?

What does it cost to go to a trade school?

Think

What are some benefits of attending a trade school instead of a community college or 4 year university?

Careers

Name 3 careers you can train for at a trade school.

Reflect

Based on what you have learned today, do you think a trade school might be an option for you? Why or why not?
