Lesson: May 7th

Essential Question: How can I preserve important information during a historic event?

Time Capsule

Today, we will create a time capsule to preserve any important information or items that are important to you.

time capsule- a historic cache of goods or information, usually intended as a deliberate method of communication with future people, and to help future archaeologists, anthropologists, or historians.

Time Capsule

Step 1: Storage

Find a container that you can store your information and items in.

Time Capsule

Step 2: Journal

Journal some information about yourself, your family, and current events.

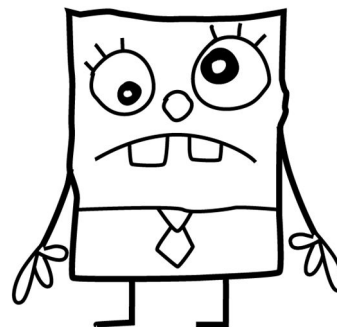

Things to include-

1. Information about yourself (name, age, likes/dislikes, daily routine)
2. Information about your family/household members
3. Update on what is going on in your neighborhood/city/country

Time Capsule

Step 3: Photos

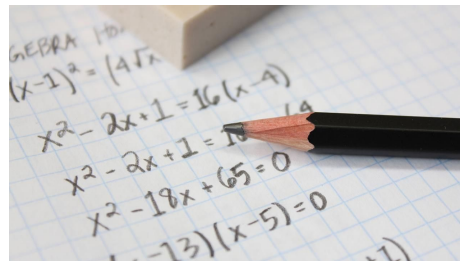

Add any photos of you or your family. Add any artwork you have made.

Time Capsule

Step 4: Important Items

Add anything that is important to you or important to current events.

Time Capsule

Step 5: Put Away

Store your time capsule somewhere safe where you can uncover it a year, 5 years, or 20 years from now!
