

Homeroom Virtual Learning

**8th Grade Homeroom**

**A+ Scholarship**

April 13, 2020

8th Grade Homeroom  
Lesson: April 13, 2020

**Objective/Learning Target:**

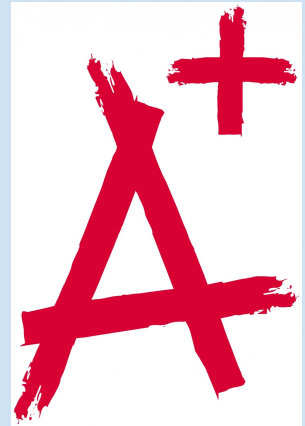

Students will learn the requirements and benefits of the A+ Scholarship Program

# What is the A+ Scholarship Program?

View the questions on the next slide to set a purpose for note taking as you view the slide show.

Watch this [slide show](#) that explains the requirements and benefits of the A+ Scholarship Program.

You will need paper  
and a writing utensil.

# Questions about the A+ Program

Use the slide show to answer these questions on a sheet of paper.

To qualify for the A+ program, what does your GPA have to be?

How many hours of tutoring do you need to complete to qualify for the A+ program?

Where can you use your A+ benefits?

What attendance do you have to have to qualify for A+?

What score do you have to achieve on the Algebra 1 EOC to qualify for A+?

# Quick Write

Turn your paper over and do a two minute quick write about the following.

Do you think the A+ program is something you will take advantage of in high school? Why or why not?
