# 8th Grade Technology Applications

## Lesson: April 17, 2020

### **Objective/Learning Target:**

I can research information about baseball and create a T chart using google docs.

## Getting Started:

[One minute history of baseball](#)

**Take out a piece of paper and create the T-chart that pops up with the link**

## Practice:

Take each of the 15 sentences and put them in the T-chart in Fact or Fiction without looking up the answers.

Fact (True)

Fiction (False)

## Practice:

Now I want you to create a T-chart on google docs.

Here is how you make a T-chart:

Check your answers that you wrote on your piece of paper.

## Practice:

**Put in the correct answers on the T-chart on google docs.**

## **Additional Practice:**

**Create your own T-chart on google docs.**

**Pick your own topic and facts.**

**Give the facts to a family member and see if they can figure out what is fact or fiction.**

## **Self-Assessment:**

**Create a Rubric that could be used to assess this assignment.**

**Use the rubric to check to see if you completed everything.**
