

Technology Applications Virtual Learning

**Investigating World**

**Cultures Day 1**

April 14, 2020

# 8th Grade Technology Applications

## Lesson: April 14, 2020

### **Objective/Learning Target:**

I can research and write a report about another country.

## **Getting Started:**

**This lesson will last for 3 days. Today we are going to focus on researching of a country of your choice.**

## Practice:

I want you to open up a map of the world online and pick a country THAT YOU HAVE NEVER BEEN TO and conduct research about it.

## Practice:

The items that you should research are:

Name of the country

Capital of the country

Major languages spoken

Location (which Continent is it on)

## **Practice:**

**More items to research:**

**History of your country**

**Major landforms/landmarks**

**General Weather conditions**

**Average temperatures**

**What do they eat there**

**Any other Interesting facts**

## **Practice:**

**Type all of your information on a google doc**

**You will need this information for the next lesson**

## **Additional Practice:**

**Write a paper about your country that you could turn in if needed.**

## **Self-Assessment:**

**Create a Rubric that could be used to assess this assignment.**

**Use the rubric to check to see if you completed everything.**
