

Technology Applications Virtual Learning

**Investigating World**

**Cultures Day 3**

April 16, 2020

# 8th Grade Technology Applications

## Lesson: April 16, 2020

### **Objective/Learning Target:**

I can use my research to create a google slideshow to show my knowledge of the country I picked.

## **Getting Started:**

**This is day 3 of our project. Take out the research, poster and postcard that you made in the past two lessons.**

## Practice:

**We are going to use google slides to create a slideshow displaying the information that you researched.**

## **Practice:**

**I am going to give you what you should have in your slideshow on the next page.**

**You may add more but his will be the minimum needed.**

## **Practice:**

**Slide 1: Title including your name**

**Slide 2: Flag, capital and location**

**Slide 3: Languages and cuisine**

**Slide 4: Major landforms/landmarks**

**Slide 5: General weather conditions and temperatures**

**Slide 6: History of your country**

**Slide 7: 2 Interesting facts**

**Slide 8: Conclusion slide**

## Practice:

**Make sure your Google slide presentation includes at least that information.**

## **Additional Practice:**

**Present the slideshow to a family member and have them help you to make the slideshow better.**

## **Self-Assessment:**

**Create a Rubric that could be used to assess this assignment.**

**Use the rubric to check to see if you completed everything.**
