April 23, 2020

8th Grade Technology Applications
Lesson: April 23, 2020

Objective/Learning Target:
I can research information about a place to visit and create an itinerary.

Getting Started:

Use this website as an example for you.

https://www.findingtheuniverse.com/3-day-rome-itinerary/

Practice:

Pick a place to visit that you have never been to. You are going to research a visit for 3 days and create a Google Slideshow.

Practice:

Day 2:

In the previous activity you came up with the hotel and what you were going to eat and do on the first day. This activity you will come up with the second day.

Practice:

You are going to plan out all 3 meals for the day.

Make sure you tell me where to eat and what to eat.

Use pictures.

Practice:

After you come up with places to eat for the day then I want you to find places to visit.

Include pictures about each places and some history/facts.

Self-Assessment:

Create a rubric that could be used to assess this assignment.

Use the rubric to check to see if you completed everything.

Additional Practice:

Find a video for the places to visit and share that in your slideshow.
