8th Grade Technology Applications

Lesson: May 11, 2020

Objective/Learning Target:

I can create a presentation about healthy eating habits using bulleted lists.

Getting Started:

You have joined the Health & Fitness Club at school. To promote healthy eating, you decide to create a presentation on the club's web site. The presentation will offer healthy food options for breakfast, lunch, snack, and dinner.

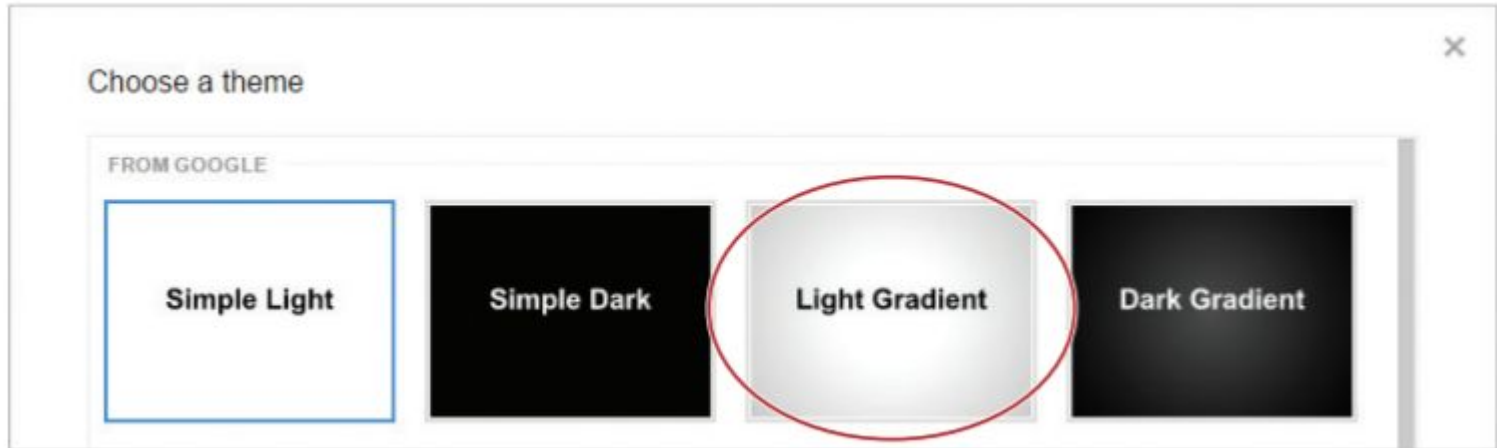

Practice:

1. **Create a New Presentation.** To create a new presentation, open your My Slides folder, click the NEW button and select Google Slides.

Practice:

2. Choose a Theme. To coordinate colors, background, fonts, and effects in your presentation, from the Choose a theme dialog box, select Light Gradient and click OK.

Practice:

3. **Select Text.** In this lesson, you'll be required to select text. There are several ways to select text in your presentation:
 - a. Position your cursor at the beginning of the word, left click the mouse, and drag to the right to the end point of the text you want to select.
 - b. To select a single word, double-click on the word.
 - c. To select an entire paragraph, triple-click within the paragraph or position your cursor at the beginning of the paragraph and hold down the Shift key while pressing the Down arrow key.
 - d. To select all of the text in a text box, click anywhere in the text box, hold down the Ctrl key, then hit the A key.

Practice:

4. Type the title and subtitle as shown

Practice:

5. **Format Text. Make the following formatting changes:**
 - a. **Select the text in the title box and change the Font to Cambria.**
 - b. **Select the text in the subtitle box, change the font to Cambria and Italicize.**

Practice:

6. Add a New Slide. To insert additional slides into your presentation, from the New slide drop-down menu, select Title and Body.

Practice:

7. Type the title and body text as shown

Introduction

Juggling school work, after-school activities, and a social life with friends, it's no wonder teenagers struggle to eat healthy foods. This presentation is a guide to help teens make healthy food choices.

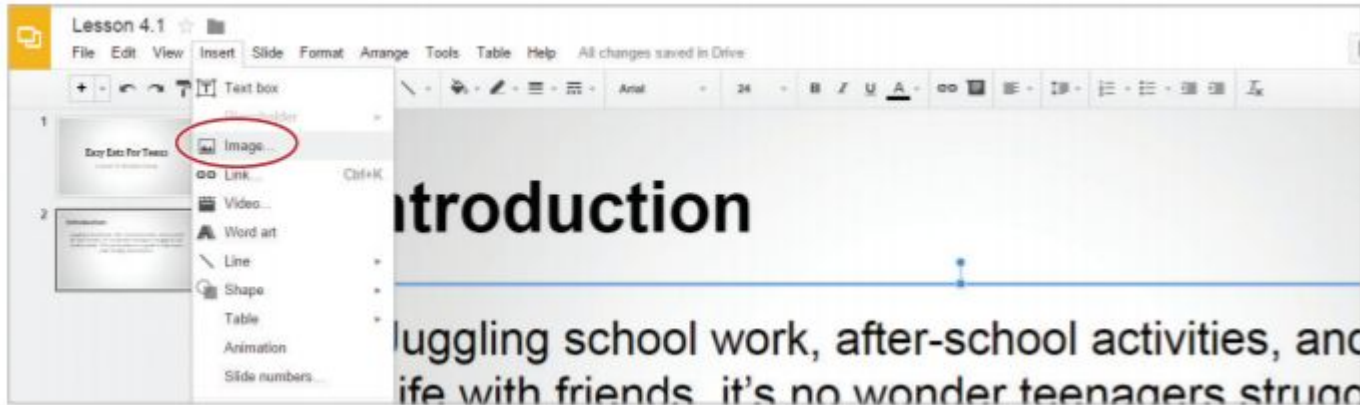

Practice:

8. Change the font size of the body text box to 28
9. Horizontally Align Text. To horizontally center align the body text, select the text, then from the Align drop-down menu, select Center.

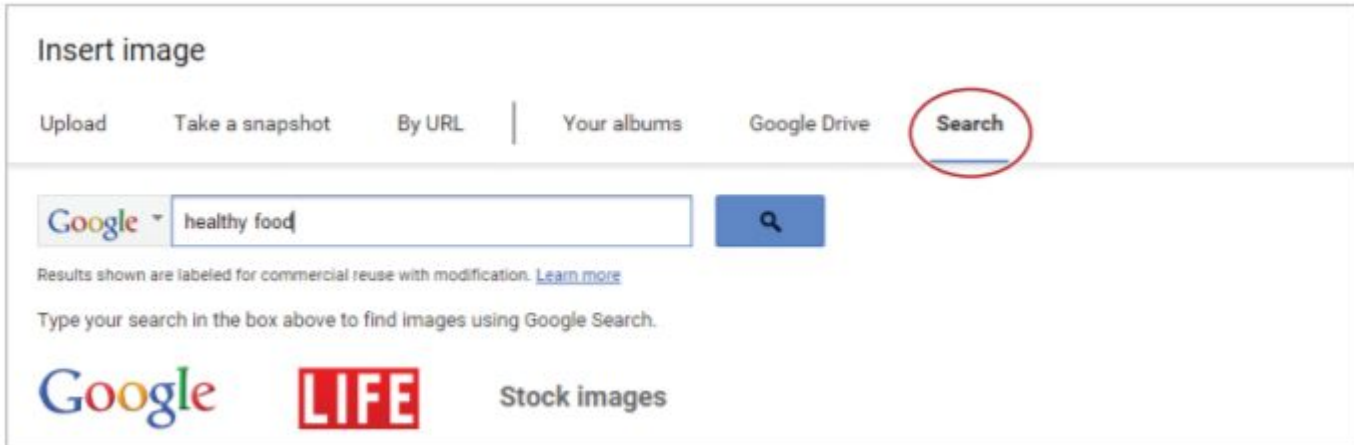

Practice:

10. Insert an Image. To insert an image of healthy food below the paragraph, do the following:
 - a. From the Insert menu, select Image.

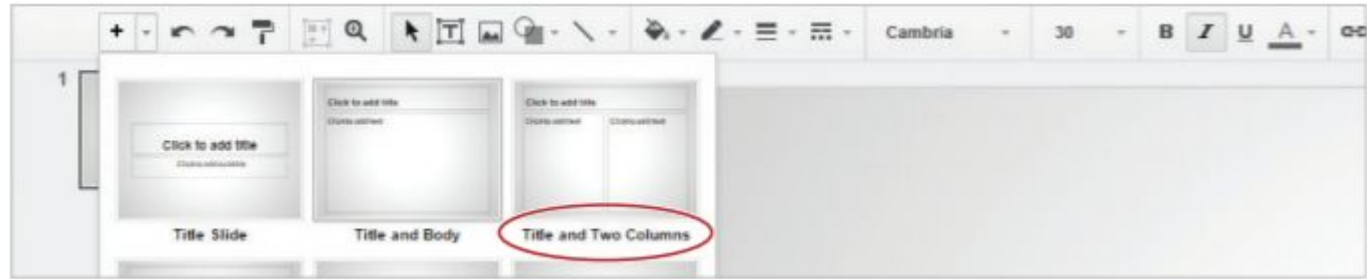

Practice:

11. Click Search, type [healthy food] in the Google search field, then hit Enter. Double Click the image of your choice.

Practice:

12. **Change Slide Layout.** To add new slides with different layout options, from the New slide drop-down menu, select Title and Two Columns.

Practice:

13. Continue to add new slides (Slides 3-6) applying the slide layouts as indicated
