Comprehensive School Improvement Plan (CSIP)

- CSIP goal = Goal 1.3: Implement effective research-based instructional practices across the district in an effort to eliminate achievement gaps.
 - Strategy 1.3.1 - Appropriate professional development on research-based instructional materials and strategies will be implemented with fidelity through collaborative cross-district opportunities.

Bryant School Improvement Goal 2016-2017 (SIP)

Starting January 2017, the ISD reconfirmed its mission to improve Math scores in the entire ISD. To coincide with this, Bryant's SIP goal, related to Mathematics continues to change as a "living and breathing document".

- Bryant's Math SIP goal 2016-2017 = Bryant Elementary earned an MPI score of 414.75 according to STAR during the 2015-2016 school year. Bryant Elementary will increase their MPI score, according to STAR 1% to continue student growth in the 2016-2017 school year. Through high quality building professional development, teacher instructional success of teaching Math, will continue while learning the most recent researched-based instructional strategies.
