Building Name: Activity Date: June 18-20
Please provide a brief description of your building activity including your plan for sharing.
This conference will allow Randall's new administrators to learn from and collaborate with other schools currently focusing on trauma informed practices, laying the groundwork
for facilitating a social emotional curriculum in the school setting. Information geined will be shared with staff during the SEL retreat, back to school PD and all following PD sessions. Staff will
collaboratively to craft a plan where trauma informed practices, social emotional learning supports, and positive behavior supports are woven together throughout all content areas, lea
to increased student success.
Criteria for High-Quality Professional Development
*Mark all that apply to the activity described above.
Part I: High-quality professional development:
X actively engages teachers, over time.
X is directly linked to improved student learning so that all children may meet the Show-Me Standards at
the proficient level.
X is directly linked to district and building school improvement plans.
X is developed with extensive participation of teachers, parents, principals, and other administrators.
[*Parent participation may be at the CSIP level]
X provides time and other resources for learning, practice, and follow-up. X is supported by district and building leadership.
X provides teachers with the opportunity to give the district feedback on the effectiveness of participation in this professional
development activity
Part II: Some types of activities that might be considered high-quality professional development if the
meet the above requirements are:
study groups.
_X grade-level collaboration and work.
content-area collaboration and work.
specialization-area collaboration and work.
X action research and sharing of findings. modeling.
nodering.
X vertical teaming.
other
Part III: Topics for high-quality professional development may include:
content knowledge related to standards and classroom instruction.
X instructional strategies related to content being taught in the classroom.
improving classroom management skills.
a combination of content knowledge and content-specific teaching skills.
the integration of academic and vocational education.
_X research-based instructional strategies strategies to assist teachers in providing instruction to children with limited English proficiency to
improve their language and academic skills.
