

Addendum No.1

Issued: March 27, 2018

RFP Name: District Wide Solid Waste, Recycling & Portable Restroom Services

RFP# 2018-PUR-021

1. Outside recycling services at each school is listed at being serviced 5 days per week. The prior RFP this service was 1 day per week. Please confirm the actual days per week.

Yes, it is 1 day per week.

2. Page 20, Exhibit D, Part 2(Solid Waste Service Summer Pickup Schedule). For the Elementary and Middle Schools, it states price per school WITHOUT Summer School, and services reduced to 3 per week. Please clarify what that means, as the High Schools have the same language and their summer schedule does not change.

Yes, the High School goes five days a week during Summer School.

3. The RFP requires the selected provider to supply recycling containers for inside the schools. Can you either grant us access inside a school, such as Van Horn HS, or can you take a picture of what is currently being used and email to me? Due to security, we believe that gaining access will be most difficult.

14 or 18 Gallon and below is a picture:

Please verify that the RFP is requiring the selected provider to supply 1182 inside recycling containers.

Yes, if there is a cost per container, please indicate that on bid.

Provide a cost with and without containers.

4. In the RFP it does not specify exactly what needs to be included in the sealed envelope. Can you expand on this for me?
