

Addendum No. 1

Date Issued: February 22, 2019

RFP Name: Replacement of Interior and Exterior Doors at Korte Elementary School

RFP# 2019-PUR-06

Question and Answer (in blue below):

1. Is this a requirement/condition of the contract for this particular project? This could involve a costly unknown expense to satisfy.

4.6.9. Lead Paint Guidelines: After April 22, 2010, contractors and their individual crew members working in pre-1978 school buildings that are child occupied and residential properties will be required to obtain their Renovator Certification by an accredited EPA Training Provider.

We are waving the requirement on this particular project.
