2. Regarding both the Gloves (A99-A106) and the Liners (A121-A127) how often are orders placed? (Monthly, quarterly, once a year, or other)

**There are several districts doing the ordering. Most districts order once or twice a year, but some do orders quarterly.**

3. Once again regarding both the Gloves and the Liners, how many cases of each are generally ordered at one time?

**I am not sure, since each district does their own ordering.**

4. How many delivery locations are there?

**I am not sure, what districts order gloves and liners, but potentially 21 locations.**
