

# Addendum No.2

Issued: November 28, 2023

RFP Name: Lead Water Testing at District Buildings

RFP# 2023-PUR-007

Questions and Answers (in red):

1. Will the proof of insurance and bonds be required before or after award?

*They need to be included with the bid when submitted.*

2. Have buildings been inspected for banned water cooler models? If not, will this need to be included in the per building rate?

*They have not been inspected, it needs to be in the per building rate.*

3. Section 3.3.3 of the RFP indicates a completion date of February 29, 2024. Does the District require all final reports to be completed by this date or just the initial "First Draw" sampling of all identified building outlets?

*Just the initial First Draw.*
