Below are the questions received and the answers are in red.

1. Nowlin Elementary-Why is there “NA” in the space on the bid sheet where stair tread pricing should go? Will the admin office area “check in” area that is currently SVT receive carpet now or LVT?  
**We will remove the NA, since we are requesting pricing on these. Admin area that is currently SVT will be LVT.**
2. Ott Elementary- Will the small area of VCT just inside the library entry remain? If not, what will be replacement flooring?  
**It will be carpet.**
3. Glendale Elementary- Why is there “NA” in the space on the bid sheet where stair tread pricing should go?  
**We will remove the NA, since we are requesting pricing for the stairs leading to the basement.**
4. Independence Academy- Why is there “Stair Treads Only” in the space on the bid sheet where stair tread pricing should go? Will 4” base be used in all areas?  
**We will remove it since we are requesting pricing on stair treads and rubber tile. YES 4” base can be used in the areas that is needed.**
5. Mill Creek Elementary- No questions

6. Randall Elementary- Is the secured entry to be part of the base bid? If so, what material does it receive? Will 4" base be used in all areas?  
No secure entry does not need to be part of the base bid. 4" base in all areas.
7. Spring Branch-Does the stage receive base?  
Yes, stage is to receive base.
8. Van Horn- Why is there "NA" in the space on the bid sheet where stair tread pricing should go? There are some rooms that have wood base and quarter round existing. Will this trim need to be removed? Can it be removed and reused? This base and quarter round is old and will be hard to match if replaced. Please clarify intent.  
We are not doing stair treads in the building, except for inside the Library and pricing for these should be included in the whole scope of work. Replace wood base and quarter round match stain.
9. William Southern- Will the storage area in the media center receive new flooring?  
Yes, storage in the Media Center is to receive new flooring. (Carpet).
