

# Addendum No. 3

Date Issued: June 29, 2022

RFP Name: Specialized Taxi Cab Student Transportation Services

RFP# 2022-TRN-002

Question (Answers in Blue below):

1. Is the due date July 1 or July 8? (The RFP doc says the former, the website says the latter).

The submission date was updated to Friday, July 8th.

2. Can this be submitted via email or do you have to receive hard copies via the mail? (Districts are often VERY particular about this but I can't find explicit instructions in the RFP).

We will accept electronic submissions as well as hard copies via regular mail.

3. What are the total number of school days that you will require service?

The district operates 170 days.
