

# Addendum No.3 Issued:

Date: December 18, 2017

RFP: New School Buses - Type C, 77 Passengers RFP

1. How many wheel chair positions are needed in the lift bus?

a. We ask that tracks be placed on both sides to allow for flexible wheelchair capacity.

2. What are Brad Oyler's specs for the following:

a. **Zonar System – to be partially installed and connected to the video system (Zonar portion supplied by district) (Install per Brad Oyler's Specs)**

This refers to installation location only.

b. **Install 2 way radios – Radios supplied by Independence School District (Installed per Brad Oyler's Specs)**

This refers to installation location only.
