

Addendum:

PRE-BID Meeting for viewing sites to determine rigging costs:

Meeting will take place at 9:00 AM at Van Horn HS, 1109 S. Arlington, Independence MO 64053. We will move from that location over to Truman HS, where 3 existing lathes from VH will need to be moved on the same day. That location is 3301 S. Noland Rd, Independence MO 64055. We will then move to a determined location by ISD Facilities, where the 3 lathes from Truman HS will be moved to surplus. This location is TBD, but will be within our district boundaries and will be established by this meeting time on August 14th.

This meeting is NOT mandatory, but is highly suggested due to the amount of movement taking place for this RFP.

Questions as of 2:00 PM August 8, 2023:

1. Which series would be best for the Quick-Change Tool Post, 200, 300 or 400?
 - a. ANSWER: Any series that includes up to a 13" max swing.
2. Is this request for only a brand name or will they accept a similar lathe (If we match the specs)?
 - a. ANSWER: We are only accepting Clausing Colchester 13" lathes for this particular bid.

NOTE: Phone number listed is incorrect for Aaron Smith

The correct number is 816-521-5599 x27500
