Floor Wax - Discovery 20	Case	Hillyard - HIL0052407	100

3. What color are you requesting for the following Can Liner items:  
I-005, 006, 008, 014 and 016?

**Any color, but in the past years they have been Black. We are not too worried about color, but the quality of them.**

4. What thickness are you requesting for the following Can Liner Items:  
I-014 and 016?

**Heavy duty (.9 -1.0Mil)**

5. Are we to assume that no pricing is requested for the items that list 0 in the estimated quantity column?

**Please bid on the zero bid items, if you have them, because some districts may need these items even though they did not put a quantity down. Also, you should bid a price you intend to honor for the year.**

6. If we are an out of state vendor, and are submitting substitute samples, can we be exempt from attending the Vendor Substitute Sample Meeting, as we would be unable to attend.

**Yes, if you are not located in Missouri or Kansas and not in a three to four hours driving distance. Please provide a phone number and contact name that we can call during the meeting with a question on the sample you have provided.**

7. Can we call FedEx at our expense and pick up a sample of each of the above referenced Can Liner Items? If yes, can you provide us with the address where FedEx should go, a contact name, phone number and email address, and times that FedEx can come.

**We don't have these items to provide, since some districts only have certain ones they order.**
