

The overall purpose of PTA is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

Three Trails PTA

Together, We Can Do So Much...

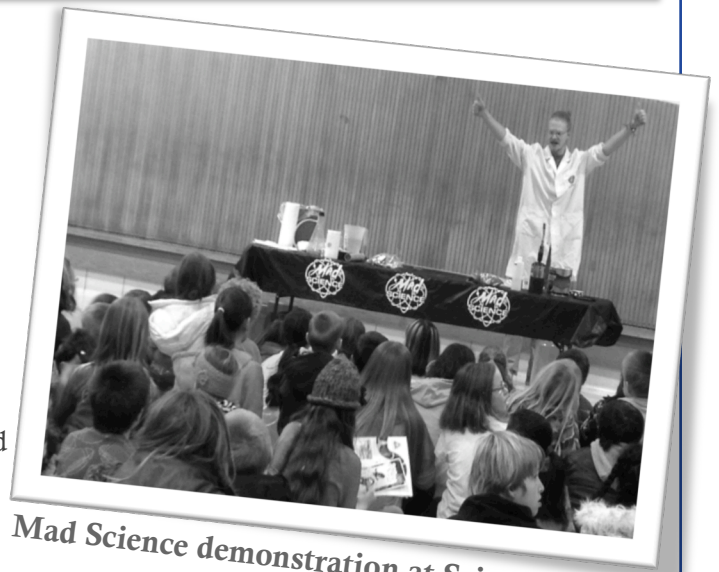

Just three hours of volunteer time per school year at Three Trails will bring great rewards in the Three For Me program.

Parents and other adults in students' lives can quickly find a chance to get involved at Three Trails with the PTA. The Three For Me program is a way to promise three hours of help for the school over the course of the entire school year. Thanks to everyone who helps!

Join PTA with a \$6 membership and gain voting rights in the important business of helping the staff and students at

Three Trails Elementary. This membership also contributes a voice for your child in the state and national PTAs that advocate for the welfare of all children.
