FAMILIES & STAFF WORKING TOGETHER TO BUILD TIGER PRIDE

Three Trails PTA holds meetings on the third Thursday of every month during the school year. Together, we discuss upcoming events and concerns with school administrators.

The goal of the PTA is to support the school, the students and their families, along with our community.

Supporting your PTA funds school supplies, family events, and field trips.

Being involved in your child’s school makes a difference. Join your PTA and become part of the team! All volunteers are welcome—parents, grandparents, family members.
