ALL 50 hours MUST be done within the Independence School District and approved by the A+ office prior to you beginning any type of hours!

Once your Letter of Intent and Tutoring Application have been filed with the A+ Office, your grades, attendance, and citizenship will be verified. The A+ Office will then e-mail your desired tutoring location to set your assignment. When your assignment is confirmed with the desired location the A+ Office Personnel will call you down to review your assignment and give you an A+ Log Sheet.

Assignments are made according to days and times you have stated on your application. Example: If you stated you would like to work Monday through Friday 4-5, you **MUST** show up at your location Monday through Friday 4-5. You are not to show up at your leisure on Monday 4-5 and then not attend the rest of the week. These students and classrooms depend on you to be there for all times assigned. If you need to make any hour changes after your assignment, you will contact your assigned school directly. Please keep this in mind as you fill out the information on the days and times of this application.
