

**INDEPENDENCE 30 SCHOOL DISTRICT
OVERNIGHT ACTIVITY PROTOCOLS AND PROCEDURES**

I. PURPOSE

The purpose of these protocols and procedures is to provide guidelines that will ensure the safety of students, District personnel, and chaperones on overnight field trips, thereby allowing District personnel and chaperones to maintain control and maximize learning opportunity. This policy is supplemental to the Board Policies adopted by the Board of Education of the Independence 30 School District, and students, staff, and chaperones are expected to abide by those policies during the course of the trip.

II. APPROVAL

As with any field trip, the Instructional Sponsor must receive approval for all overnight field trips prior to committing to the trip (e.g. submitting registrations, securing transportation, booking hotels, etc.). The approval form can be completed and submitted online, and must be submitted at least (30) days in advance of the trip where practicable. Where thirty days prior notice is not practicable (e.g. qualifying for state competition taking place in three weeks), exceptions will be made on a case-by-case basis.

III. PERMISSIONS

In addition to the general online authorization for field trips completed online, parents/guardians of students wishing to attend an overnight trip must complete the "Overnight Activity Permission, Consent, and Release" (Exhibit A). For activities or programs with multiple overnight trips each school year (e.g. choirs, speech and debate, certain sports teams, etc.), one signed form per student per school year is sufficient.

For trips that are not sponsored by the District, parents and sponsors will be required to complete additional forms.

IV. SUPERVISION

Students on approved trips are under the jurisdiction of the District and are subject to all applicable policies, rules, and regulations. Student safety and supervision is the primary responsibility of the District staff member sponsoring the trip ("Instructional Sponsor"). Instructional Sponsors, other certificated personnel, and approved chaperones shall accompany students on all overnight trips.

All overnight trips must be supervised by a minimum of two (2) adults, one of which must be a school staff member (typically the Instructional Sponsor). The student-to-adult ration shall not exceed ten (10) students to one (1) adult for overnight trips. These

Non-District Sponsored Events

A copy of the statement must be submitted to the principal of the school and the Superintendent or designee.

On such trips, District's supervision of students shall meet the requirements outlined above. Additionally, the District shall not compensate any District staff member for attending such trip, nor will District vehicles be used to transport staff or students related to the trip. Any insurance required for such trips will also not be the District's responsibility to obtain. It is further understood that District funds will not be used to pay for such trips.
